

WE'RE HEADED BACK TO SCHOOL!

June 2020

Dear friends,

Did you have a favorite teacher in school? From early in life through college I was blessed with many very good teachers. But if I had to pick one, I think I would choose my first-grade teacher. Her name was Mrs. Rediball. She taught me to read and how to sound out words but she also taught me by her example what firm, consistent, compassionate love is. Of course, my parents and many other people, including ministers and other Christians had influence on me also. But, she was the first teacher I had in school all day and she was simply an "old pro". Maybe you had a teacher like that.

As it has been for everyone, this year has been a strange one for us with the coronavirus and its effects. Our children had school suspended in March and they never did return to school. But in spite of all that, our children are staying busy this summer. Although it sounds as if some children may not be returning to school right away this Fall, right now, as I write this, the plan is for our children to return to school on schedule. Of course, that could change but our children need new clothes and supplies even if they continue school at home.

With 30 children in our care, you might imagine it takes a lot to get them all ready. There are numerous needs to fill. School shopping will need to be started soon to get the children ready for their first day. With clothes, supplies and extra-curricular activities, the average cost for one child is \$327.58. I ask that you prayerfully consider sending a gift to cover the cost of a child's needs for the 2020-2021 school year.

Would you please help us? We would be so grateful for your support. August 5th will be the first day of school for the children, so we need the funds soon. If more than the needed funds are received, the additional income will be used for the other day-to-day expenses for the care of the children.

Thank you very much for your continuing monetary and prayerful support of this ministry.

For the children,
