

Dear friends of children,

Potter Children’s Home now 107 years old. A lot has happened in those years through God and his work administered through his people. My prayer is that Potter will continue to depend on God’s guidance in caring for His children. Your prayers and gifts make you a vital part of the success of this ministry, which helps to change the lives of those Potter serves. Please let me share with you a project that I would deeply appreciate your help with this fall.

Totty House was built in 1966, it is now in it’s 55th year of constant use. Many children have come and gone over those years. And it still has many more years of service left in it. The porches are all original to the building. That is years of wind, rain, ice, snow (and salt) have taken their toll on them, in addition to the hundreds of children that have run up & down the stairs, slid on the railing and swung on the columns.

The time has come that these porches need some major repair. Our maintenance team has a “honey do” list of things that need to be done before winter comes again.

- ✓ Replace the support columns
- ✓ Strip and seal the concrete porches
- ✓ Install new hand railings
- ✓ Pour new concrete pad for one

Will you help us make the porches structural sound and safe for the children? Our plans are for Totty House to be home for hundreds of more children in the years to come. The cost to make all these repairs will be \$11,450.00. We know different people can afford different gift amounts. Will you please consider a gift of \$50, \$75, \$100, \$200, \$500 or even \$1,000. If we receive money which surpasses the cost of the repairs, it will go to the daily care of the children.

We continue to depend on God’s provision for the care of the children here. He does that through His people. Your prayers and financial support mean so much to us and to the children. I hope they can count on your help.

For the children,

Ralph Brewer
Executive Director
