

The mission of Potter Children's Home & Family Ministries is to be a tool in the hands of supporting churches of Christ and individual Christians to deliver God's justice and mercy to children and families in need.

2022 Annual Report

Laying a foundation for children since 1914

Ralph's Reflections

TRAVELING ON TO 2023

Each year is very different and has a personality of its own. The last few years have certainly been different with the pandemic and the enduring effects of it. The year 2022 was good to the residents at Potter Children's Home. God richly blessed our children because of the

generosity of so many benevolent and compassionate people. *We eagerly look forward to 2023!*

For us, one of the needs we continue to have, like several other industries around us, is a need for staff. In my 30 years here, we have never been as short of staff as we are now. If you have any interest in being a part of this ministry or, if you know anyone who might have an interest in being a part of this ministry, please contact us. As I write this at the beginning of the year, we are in need of houseparents, counselors, workers in fund-raising, maintenance staff and mentors for our single parents. Let us know if you are interested.

One of the effects of our staff shortage in 2022 has been the reality that budgeted expense for staff would not be used. That gave us the opportunity to make improvements around our campus, which is more than 100 years old. We believe using funds in this way is part of being good stewards.

I want to especially call your attention to three dates in 2023 which will be important:

MINISTER, ELDER AND WIVES APPRECIATION DINNER
Thursday, April 13, 2023

This is just our way of saying how much we appreciate these people. Good food and fellowship at no cost. We hope many of you can come. Let us know if you plan to come.

DAY OF PRAYER AND GIVING
Sunday, July 30, 2023

Many congregations have participated in this for several years. We hope yours will. If you need more information, let us know.

FALL FESTIVAL
Saturday September 16, 2023

Hundreds of people visit our campus on this day. Lots of activities for people of all ages, a live auction, a silent auction, campus tours and much more.

I hope you will mark these on your calendar.

Job said, *"I delivered the poor who cried for help, And the fatherless who had no helper, The blessing of the one ready to perish came upon me, And I made the widow's heart sing for joy."* Job 29:12,13.

If you had a part in financially helping the children here in 2022, you have "delivered.....the fatherless who had no helper." Thank you very much! The children here often do not really know or understand what those who support this home do. But, the Lord does. And, I do. And, I see firsthand the effects your involvement has on their lives. Thank you.

I'd also like to invite anyone interested in this ministry to our campus. We'll be glad to give you a tour. Thanks again for your love, concern, and support for the children here. I pray that you have a blessed 2023 and enjoy a look back on how God guided our journey through 2022!

Each January, as our residents wrap up Christmas Thank-You notes and find themselves inside most of their free time, our Board is hard at work preparing for a successful year for the home. Since the home was opened in 1914 it has been under the oversight of a Board of Trustees which consists of Christian men who are members of the church of Christ. They hold quarterly meetings on campus and their time spent on the Board is voluntary. The Board is comprised of the following individuals:

Board Meeting

Bible Drill Returns!

This month we started back meeting every Monday after school to have "Bible Drill". Paul Savage, once a resident here in the 1920's, brought the Bible Drill Program to Potter in the early 1990's. We have the same colorful chart still hanging that Paul made the children all those years ago. The chart helps the children "drill" through the Bible. Verses that pertain to the plan of salvation, the chronology of the Bible, the books of the Bible and a variety of basic scriptures and much more. As we recite and work our way through the exercise, the children learn about the different people of the Bible, who they were and why they are important to us. The children take turns leading the different sections. It's a fun way to teach the children about God's word.

Daniel L and JT did a great job representing their school's archery tournament. Generous donors help provide opportunities for our kids to participate in various activities throughout the year!

Preachers, Elders, and Wives Appreciation Dinner

Our annual Minister/Elder (and wives) Appreciation Dinner was held on April 7th with over 70 in attendance. This was our way of honoring these men and their wives for their many years of service to the Lord's church. In fact, 1,094 years of service as a preacher or elder were represented. In addition, those present had preached in 15 different states and 19 countries. This is quite impressive. Many thanks to all of them!

Matt Palmer joined our maintenance team in April. He is married to Stephanie Palmer, and they have two boys Blake and Mason. They are members of the Alvaton Church of Christ.

Tuesday's Treasures is a resale store on campus that is available daily for the moms and children and open to the public on scheduled Tuesday's. The store is organized and fueled by dozens of talented and dedicated volunteers. They are largely responsible for the wonderful reputation the store has in the community. The community is blessed by finding the lowest priced clothing in town, furniture, home decor and household items at the public sales. Over 10,000 hours of volunteer work and generous donations of items from individuals, congregations and businesses made 2022 another successful year with the sales totaling over \$340,000!

Ralphie's Fun Center Night!

Throughout the year various opportunities come up that allow the children and mothers here to experience something fun together. We are grateful for all of those who sponsor events throughout the year- this trip to Ralphie's Fun Center is just one of the many experiences the kids had this year!

Happy Retirement, Judy!

Judy Mealer has spent the last 33 plus years serving children and single parent families here at Potter Children's Home. She truly has changed the world because she has touched so many lives. Judy plans on staying a part of the Potter Family in a volunteer capacity. We wish Judy a happy retirement to do some of things that have often been put to the side because of her commitment to her family and the children here at Potter.

Annual Strengths Banquet

On May 6th our annual Strengths Banquet was held with the theme *"Be the Change You Want to See in the World."* They started their journey in an airplane. The residents were able to "travel" to booths from different countries. At each booth, they received a stamp in their passport, a food from each country was served and the residents could learn about the countries with artifacts and information provided at the booth. The countries represented at the banquet were Great Britain, China, Mexico, Ukraine, Germany, Israel, Greece, India, Rwanda, Jamaica, and Brazil. At the end of their journey, a ceremony was held to celebrate each child and single mother's strengths. Each one received a globe with their name and strength.

Church camp memories!

Potter residents have been able to take advantage of summer break to spend time developing their spiritual lives. Several of our kids have attended church camps in the area and one of our children and several staff members even attended a mission trip to work at Give the Kids the World in Orlando, FL. Thanks to all of you that helped make these experiences possible.

Words from Chris

MINISTER OF FAMILY SERVICES

2023?

Where did 2022 go? As we begin a new year many people are prone to make resolutions or another way of saying it would be to make changes regarding themselves or how they lived their lives from the year before. Another phrase one might hear this time of year is new beginnings.

For many, a new beginning may mean a new job, moving into a new home or beginning a new relationship. A new

beginning could also be entering a new phase of life such as when a single mom and her children or a foster care child comes to Potter Children's Home as it is a new beginning for them. They want a new beginning as a single mom is looking for a better life for herself and her children as she will work with the Potter staff to learn better parenting skills, becoming more financially responsible or maybe dreams of returning to school to get more education and skills to be able to provide better for herself and her children.

A foster care child will be connected with foster care parents who will provide the nurture, love, stability, and support they may not have had in their lives. At Potter Children's Home we

Sojourner Visit 2022

Daniel L. was baptized into Christ July 8th. Keep Daniel in your prayers as he begins his walk with Christ.

Residents and staff alike look forward to the Sojourner visit each summer. This summer the Sojourners worked in several areas on our campus. They did remodeling work in the boys' house, helped in the pantry, worked in the resale store and gift room, and helped get gleaner cans ready for distribution. Staff and residents enjoyed group meals with them and were encouraged by the fellowship. Their spirit of service and love is always an inspiration to anyone blessed to work with them.

Summer Mission Groups

Three youth groups, from Kentucky, Tennessee and Virginia, visited Potter's campus during the 2022 summer. Over 50 teens and adults, from 3 congregations spent time with our residents as they worked alongside some of the children, shared meals together and enjoyed games, activities and devotional times. The long hours and hard work help make the time at Potter more enjoyable and rewarding for the groups. The time and efforts of the mission groups were deeply appreciated and blessed the residents and staff greatly.

new staff!

Frankie Millstead

comes to Potter Children's Home with a well-versed history of working with children. She has worked with children in public education for over ten years in a variety of positions. Frankie also comes to Potter having served as a house parent at a children's home in Tennessee. One of the most important aspirations that she strives for is to help and assist individuals by trying to make a difference in people's lives.

Back to School!

look forward to these new beginnings with a single mom or a foster care child and we utilize these opportunities to share the Word of God which is something they may not have had before. As it relates to new beginnings, in Ephesians 4:22-24 it reads, "You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds; and to put on the new self, created to be like God in true righteousness and holiness." Our staff is well equipped to help make the transition for a single mom or a foster care child who enters our programs with compassion, support, love, and God's Word. We want to show and exhibit to anyone

who wants to start a new beginning at Potter Children's Home that no matter the hurts and problems they have had experienced in the past that God will always be with them in the good times as well as the not so good times. We read this in Joshua 1:9, "Be strong and of a good courage, be not afraid, neither be thou dismayed. For the Lord thy God is with thee wherever one should go." At Potter Children's Home, our goal is to try and help a single mom or a foster care child make changes in their lives that will put them on a path to a successful new beginning for 2023.

This year our annual Fall Festival raised over \$57,000 dollars!

Fall Festival 2022

Thank you to everyone that took part in the 20th Annual Fall Festival, the goal was set at \$50,000 that was raised and exceeded! The day was filled with fun for all ages. It was a day filled with wonderful food, a fantastic Live Auction, a rousing Silent Auction, Tuesday Treasures, Gift Shop, Bargain Bin, and the Christmas Room. We were packed to the rafters when the day started and there wasn't much left to put away when the day ended. We are so grateful for all who helped make it a great day and are already looking forward to seeing all of you back again next year!

So mark you calendars now for Saturday, September 16th, 2023!

HARVEST Night!

SPARK and Foster Families enjoyed a fun night of interesting food, trick-or-treating, and games during the Harvest Walk. Families participated in a pumpkin decorating contest with several very creative entries.

Dinner was a variety of delicious Halloween goodies such as chili, mummy dogs, mummy pizza, monster munch, cupcakes, and green punch with gummy worm ice cubes. The children showed off their costumes as they trick or treated and played games at the tables set up by Potter staff members and the Hilltoppers for Christ from WKU.

new staff!

Misty Pasley is our new Administrative Assistant. She is married to Chris Pasley and they have three children, Landon, Shyanne, and Caeleb. They are members of the Richpond Church of Christ. We are happy to have them as part of our family.

New Playground!

We have a brand new playground! This beautiful playground has been constructed behind the quadplex houses so that the children will have easy access to hours of fun under the sun. They can swing,

slide, crawl, and climb to their heart's content! Construction of this playground was made possible by the generosity of individual donors as well as by grants that were awarded to PCH by such wonderful charitable organizations as Community Foundation of South-Central Kentucky and the Women's Fund. Many thanks to everyone who worked to make this playground a reality!

SPARK mom Stacey became our sister in Christ when baptized in November. We pray for God's guidance in her life!

Wells Fargo, Gallup, Hezekiah, & Hank Williams

WRITTEN BY DAVID DUNCAN

Wells Fargo knows money. Gallup knows research. In November of 2020, these two entities studied 1,709 Wells Fargo investors and learned:

- o Just 1-in-3 investors had a written will.
- o Only 4% of investors had complete estate plans.

Surprising? Perhaps -- especially if we consider the universal truth in Hebrews 9:27, "it is destined for people to die once" This 2020 research is just another study in a long line of studies that indicates many Americans do not have valid, up-to-date estate plans.

To be fair, most of us do not have the Hezekiah advantage either. Remember that good King of Judah? 2 Kings tell us that he did "what was right in the eyes of the Lord."

Hezekiah's advantage was that during a bad illness, God sent Isaiah the prophet with an unmistakable message, "Set your house in order, for you shall die, you shall not recover." (2 Kings 20:1 ESV) OK, at that point any of us would probably call for a lawyer and witnesses!

The research went on to show that higher income did not necessarily mean increased estate planning, but older age did. Only 30% of investors under age 50 had wills but for those over age 65, more than 4 of 5 had wills.

While not covered by the Gallup study, what would be interesting to know is how many Christian stewards have up-to-date plans. My sense is that if you live the faithful steward's life you may see an estate plan as your final act of stewardship and generosity.

One thing is for sure. As the late Hank Williams crooned in his popular song, "No matter how I struggle and strive, I'll never get out of this world alive."

If 2023 is your year to update or create your estate plan -- why not start with the wealth of information to be found at www.pottergift.org -- then, if you'd like more information or help, feel free to contact Potter's Executive Director, Ralph Brewer at ralph@potterministries.org or 270-843-3038.

We appreciate you!

There are so many individuals who reach out to the home and give of their time, talent, resources, and individual talents. Whether it is giving time in our Re-sale shop, bringing your animals out for the day, providing face painting to our residents, sponsoring an event and countless other things. So many people helped us travel through this year, and every year. God bless you all and thank you to each of you, every gift is a blessing to the children here!

We extend a heartfelt Thank You for continuing to bless the lives of those served at Potter.
